NOSTALGIC HANDCRAFTED QUALITY

24" Built-In Tall Tub Dishwasher

HCTTDW

Performance Features

- **Multi-Level Washing for Wash-It-Once Results**
Variable pressure washing with three spray arms, sensor monitors to assess the soil level of dishes, and a triple filtration system to remove even the smallest particles all work in harmony to make sure your dishes are clean the first time.
- **Condensate Quick Dry**
Moisture condensates on the cooler stainless steel tank and door and drains to the sump area for quick and efficient drying.
- **Quiet Operation**
Three layers of insulation create one of the quietest dishwashers on the market.
- **6 Cycles with 4 Options**
Cycles include Pots/Pans Plus (extra-heavy); Pots/Pans (heavy); Regular Wash (normal); Daily Wash (medium); Quick Wash (35 minutes!); Rinse/Hold (pre-rinse).
Options include Half Load to save energy; Auto Tablet detects rinse aid and automatically sets drying time duration; Delay Start lets you delay activation for up to 24 hours; Sanitize brings the water temperature up to NSF requirements.
 - » LCD screen displays remaining run time.
 - » Floor indicator light discreetly displays on floor while dishwasher is running.

Interior Features

- **Adjustable Top Rack**
Two positions allows you to accommodate taller glasses in the upper rack or larger pans in the bottom rack.
- **Adjustable Tines on Lower Rack**
Four rows of tines can be adjusted for easier loading of pans.
- **Stemware Cradles**
Two stemware cradles gently hold wine glasses to prevent damage.
- **Sliding One-Piece Cutlery Basket**
Every load is different. And the sliding cutlery basket makes it easier to fit everything in every load.
- **Holds 14 Place Settings**
